This Memorandum of Understanding (MoU) is made and entered into on this Date:
by and among:

1. *Kalinga University*, located at Naya Raipur, Chhattisgarh, represented by Dr. Sandeep Gandhi, Registrar, hereinafter referred to as "KU".
2. *BDS Education*, located at Faridabad, NCT of Delhi, represented by Col. N.C. Gupta, Director, hereinafter referred to as "BDS".
3. *IEEE Madhya Pradesh Section*, of IEEE India Council, represented by Prof. (Dr.) G.S. Tomar, Chairperson, hereinafter referred to as "IEEE MP Section".

1. Purpose

This MoU establishes a framework for collaboration among KU, BDS, and IEEE MP Section to organize and promote events, workshops, and competitions related to Robotics, STEM (Science, Technology, Engineering, and Mathematics), and the Internet of Things (IoT). The objective is to foster innovation, enhance technical knowledge, and provide hands-on learning opportunities for students and professionals.

2. Scope of Collaboration

- Events & Workshops: Organizing technical workshops, hackathons, and training sessions in Robotics, STEM, and IoT.
- Competitions: Conducting robotics and IoT competitions at regional and national levels.
- Skill Development: Enhancing technical skills of students and faculty through expert-led programs.
- Research & Innovation: Encouraging collaborative projects and knowledge sharing.
- Outreach: Promoting STEM education through awareness programs for students.

3. Roles and Responsibilities

- ***Kalinga University*:**
    - Provide necessary infrastructure, lab facilities, and technical resources for events.
    - Facilitate participation of students and faculty members in workshops and competitions.
    - Support outreach programs by engaging university departments and student bodies.
    - Provide infrastructure and logistical support for hosting events.
    - Encourage student and faculty participation in collaborative programs.
    - Facilitate academic and administrative support for joint initiatives.

- ***BDS Education*:**
    - Design and conduct hands-on training sessions, workshops, and expert lectures.
    - Provide mentorship and guidance to students on STEM and IoT projects.
    - Collaborate with KU and IEEE MP Section for curriculum development in emerging technologies.
    - Offer technical expertise and industry insights for program structuring.
    - Develop and deliver training modules on Robotics, STEM, and IoT.
    - Assist in organizing hands-on workshops and training sessions.

- ***IEEE Madhya Pradesh Section*:**
    - Provide technical expertise and resource persons for workshops and seminars.
    - Offer IEEE certification for selected training programs and competitions.
    - Promote events among IEEE student branches and encourage participation at a national level.
    - Provide expert speakers and technical resources for events.
    - Facilitate networking with industry professionals and IEEE members.
    - Promote IEEE initiatives and encourage student memberships.

4. Financial & Logistical Arrangements

- The financial responsibilities for events shall be mutually decided based on the nature and scale of the event.
- Sponsorship and funding shall be sought from industries, academic institutions, and government agencies as required.
- The organizing committee, comprising representatives from all three parties, shall oversee event planning and execution.
- This MoU does not constitute any financial commitment from any of the Parties. Specific financial agreements, if required, shall be mutually discussed and agreed upon for individual events.

5. Duration & Termination

- This MoU shall remain in force for a period of two (2) years from the date of signing, unless extended by mutual agreement.

6. Amendments & Dispute Resolution

- Amendments to this MoU shall be made in writing and signed by authorized representatives of all parties.
- In case of any dispute, the parties shall resolve the matter through mutual discussion and mediation.
- The Parties shall conduct all activities under this MoU in compliance with their respective policies and regulations.

7. General Provisions

- This MoU does not create any legally binding obligation but serves as a statement of intent for collaboration.
- Each party shall retain ownership of their intellectual property, and any joint intellectual property shall be subject to separate agreements.
