Details of Program:

It was a two-day event where students were known as delegates, representing different countries or roles as they simulated UN committees and bodies. Delegates took the role of diplomats and represented various countries, debated and discussed global issues from the perspective of their assigned nation. There were three committees namely, UNHRC, DISEC, and LOK SABHA. The agenda for the UNHRC Committee was to follow up on the implementation of the recommendation of Vienna Declaration and Programme of Action. The agenda for DISEC was the discussion on the roadmap to ensure peace and security in the Middle East and Afghanistan. The agenda for Lok Sabha was a Discussion on the One Nation One Election Policy. Delegates engaged in formal debates and discussed the above-mentioned agendas using parliamentary procedure and following the rules and guidelines of the UN. They presented their country's stance, negotiated with other delegates, and worked on to build consensus on resolutions. The event was concluded on 5th November 2023 by Vote of Thanks by Ms. Lubasha Sharma, Co-Founder Secretary General, LRIMUN.

Program Outcome: MUN enhanced knowledge of international affairs, improved communication and negotiation skills, heightened global awareness, and developed critical thinking and problem-solving abilities. Representing different countries and taking on their perspectives fostered cultural awareness among the students.
